Kaboom Animation Festival ([link](#)) is the one-stop-shop for the latest and greatest in all things animated. Ranging from cutting-edge experimental arthouse to colorful stories for families and kids, Kaboom will cater to the animation needs of all. Yes, even yours, my amazing weirdo friend!

From November 9-12, Kaboom Kids will take place across various venues in Utrecht and focus exclusively on animation for curious kids and families. Then, from November 13-17, Kaboom will be at Westergas in Amsterdam, where we will treat our grown-up audience to the animation cream of the animation crop. We are so ready for this, and we can't wait to welcome you at Kaboom Animation Festival!
